# FAQs

## **What can I spend my credit on?**

Your credit is yours to spend however you choose. For example, you could spend your credit only on healthy food, or you could use your credit to buy covered food and OTC products.

## **I currently receive some food assistance. Do I still qualify for this benefit?**

Yes, absolutely. Your healthy food and OTC benefit is independent of any other assistance you receive. When shopping in-store, you can use your UCard in addition to any assistance, coupons or in-store specials. Your monthly credits expire on the last day of the month, so consider using your healthy food and OTC benefit first.

## **What price applies at checkout?**

Online and in-store pricing may not be the same as the prices listed in this benefit guide and catalog. The online and in-store price applies at checkout.

## **Is there a cost for home delivery?**

All grocery and OTC product shipping charges are covered by your plan with your \$35 minimum order. You can have covered products delivered to your home by FedEx, UPS or a Walmart courier.

## **Do I pay sales tax?**

Applicable orders are subject to state sales tax.

## **Can I return products?**

All products are subject to the retailer's return and exchange policies.

## **What if my purchase costs more than my credit?**

If your total is more than your available credit on your UCard, you'll need to pay the balance due out of pocket.

## **What types of foods and products are not covered?**

Examples of foods and items that are not covered include alternative medicines, baby items, cosmetics, hygiene products, hair products, moisturizers, teeth whitening products, food and meal supplements, pet items, alcohol, baby formula, candy, chips, coffee shop items, desserts, fresh baked goods, soda and tobacco.

## **How can I get a replacement UCard?**

If your UCard is lost or stolen, you may ask for a replacement UCard to be mailed to you by calling **1-833-845-8798, TTY 711**, 8 am – 8 pm local time, 7 days a week.
