

## **Did You Know?**

Medical transport services are sometimes necessary, but be **aware** that some ambulance companies are inappropriately billing Medicare billions of dollars each year. These suspect medical transport companies may bill for services that you may not have received; such as oxygen, cardiac monitoring, and more. If you suspect a medical transport company has committed fraud, you must report the matter in order to protect yourself and your healthcare benefits.

Basic and Advanced Life Support, BLS and ALS, include oxygen, cardiac monitoring and more. If your bill shows BLS or ALS but you did not receive these services - report it!
