

Before you enroll

It's important that you understand this Dual Special Needs Plan (D-SNP) and what benefits are covered. You can find the Drug List, Provider and Pharmacy directories, Evidence of Coverage and more at myPreferredCare.com.

Are your drugs covered? Check the Drug List (Formulary) to make sure.

Drugs not covered by the plan may have alternative covered drugs that can be used instead.

Are your providers in the network?

If your providers are not in the network, you will need to select a new network provider. You also have access to a large dental provider network. You can get care from out-of-network dental providers but your costs may be higher, even for services with a \$0 copay.

Is your pharmacy in the network?

If your pharmacy is not in the network, you will need to select a new network pharmacy.

Did you review the Summary of Benefits?

These are just some of the benefits covered by the plan. You can find a complete list of coverage, benefits and plan rules in the Evidence of Coverage online.

You're eligible to enroll if:

You're enrolled in Original Medicare Parts A and B
